STATEMENT OF NURSE

SUMMARY OF INCIDENT

The summary of this incident is based upon the reports, memos, teletypes, and taped interviews contained in this packet. It also contains information verbally relayed to the Internal Affairs Bureau Investigators. This summary is preliminary and does not contain an interview of the deputies involved in the incident by the Internal Affairs Bureau Investigators. The account of this incident was obtained verbally from Lieutenant William Sieber, # , Homicide Bureau. Refer to Exhibit "A" for the crime reports describing the incident. Lieutenant Sieber stated the following:

On November 30, 1992, at approximately 1845 hours, Deputies Dave Garrett, # , Greg Everett, # Robert Harris, # and Brian Meeder, # , were assigned to Lennox Station working uniformed patrol on PM shift. Deputies Everett and Garrett were working together in unit #31, and Deputies Harris and Meeder were working together in unit #31B. The deputies had parked their patrol vehicles in the carport north of 119th Street and east of New Hampshire Avenue. The deputies then walked to check for who were possibly on New Hampshire Avenue. Lieutenant Sieber said the .

Lieutenant Sieber said the deputies walked westbound from the alley on 119th Street to northbound on New Hampshire Avenue. As the deputies turned to walk northbound on New Hampshire Avenue, they heard distant gunfire coming from a northwesterly direction. The deputies continued to walk northbound on New Hampshire Avenue on the east side of the street when they saw a male Hispanic, NFD, standing on the westside of the street holding an open beer bottle. The deputies crossed the street, contacted the male Hispanic and advised him not to drink in public.

Lieutenant Sieber said the deputies then walked northbound on the west sidewalk and approached New Hampshire Avenue. He said Deputy Harris told the other deputies he had been to that address before and he believed there was access to the rear north/south alley through the backyard. All four deputies walked westbound through the yard to a chain link fence in the rear yard which abutted the north/south alley. Refer to Exhibit "E" for photographs of the alleyway and shooting location.

Lieutenant Sieber said the deputies stood at the fence and saw that there was no access to the alleyway. He said the deputies then heard noises coming from the

yard across the alley, and southwest of them, that sounded like someone walking eastbound towards them. He said the deputies then looked to the southwest across the alley and saw [REDACTED], who was standing on the westside of a wooden fence that was on the westside of the alleyway. He said they saw Mr. [REDACTED] place a package, NFD, on top of a wooden fence. He said they saw Mr. [REDACTED] climb eastbound over the top of the wooden fence into the alleyway and pick up the package from atop of the fence. He said they then saw Mr. [REDACTED] move south in the alley. He said the deputies told him they then saw Suspects [REDACTED] and [REDACTED] climb over the fence and into the alley. He said the deputies saw Suspects [REDACTED] and [REDACTED] stand in the alley southwest of them where a wooden and wrought iron fence came together.

Lieutenant Sieber said all four deputies crouched down behind the vines and bushes on the east side of the chain link fence that bordered the east side of the alley. He said the deputies were crouched along the fence in the following order from north to south: Garrett, Harris, Meeter, and Everett. The suspects were approximately forty feet southwest of Deputy Garrett. Lieutenant Sieber said the deputies saw Suspect [REDACTED] raise his shirt, reach into his waistband and pull out a handgun. He said Deputy Everett whispered to Deputy Harris that the suspect had a gun. He said the deputies then heard Suspect [REDACTED] say, "Let's do it!" He said the deputies saw Suspect [REDACTED] point the handgun in the air and fire it two to five times.

Lieutenant Sieber said Suspect [REDACTED] then looked towards the deputies position and said, "Hey man, somebody's over there!" He said the deputies saw Suspect [REDACTED] lower the handgun and point it at them. Lieutenant Sieber said Deputy Everett yelled to Suspect [REDACTED], "Sheriff's Department! Drop the gun! Drop the gun!" He said the deputies then saw a muzzle flash from the suspect's handgun and believed the suspect was shooting at them. All four deputies fired their handguns at Suspect [REDACTED].

Suspect [REDACTED] sustained four gunshot wounds. Suspect [REDACTED], who was standing next to Suspect [REDACTED], sustained a single gunshot wound to the right torso. Suspect [REDACTED] moved south in the alley and fell to the ground. Suspect [REDACTED], vaulted over the wooden fence on the west side of the alleyway. He fell to the ground on the west side of the fence. Mr. [REDACTED] was out of sight and not seen after the incident.

Both Suspect's [REDACTED] and [REDACTED] were treated by paramedics and transported to hospitals for treatment. Suspect [REDACTED] was transported to Martin Luther King Medical Center where he was pronounced dead.

Suspect [REDACTED] was transported to Harbor U.C.L.A. Medical Center and

treated for four gunshot wounds by Dr. Karen Loper. She stated the suspect sustained one gunshot wound to the right buttocks. She stated he sustained one gunshot wound to the right knee and one gunshot wound to the left shin. Both of the rounds from those wounds remained in his legs in a benign position. She stated most likely they would not be removed. She stated the fourth gunshot wound was a through and through wound to his right shin. She stated she cleaned and dressed the wounds, then x-rayed them. She said there were metal fragments surrounding the right hip joint from the round that entered the right buttocks. She said she conducted an "Anoscope", an anal scope exam, to check for internal injuries from the gunshot, which proved to be negative. She said she checked the suspect's blood and urine for sign of internal injuries and they checked normal.

Mr. [redacted] was located and interviewed on December 08, 1992, by the Homicide Bureau Investigators, Deputies Richard Graves and John Haynes. Mr. [redacted] stated he was with the two suspects and two additional persons at the time of the shooting, identified as [redacted], male Hispanic, 17 years old, and [redacted], male Hispanic, 15 years old. Mr. [redacted] told the investigators he had been shooting the suspect weapon in the alley west of South Berendo Street and north of 119th Street. He said Suspect [redacted] was not with them at that time. He said Suspect [redacted] joined them afterwards and they walked eastbound through the yards to the alley where the shooting occurred. Mr. [redacted] said he saw Suspect [redacted], who was facing northbound, fire approximately five rounds into the air with the suspect weapon. Mr. [redacted] said he then saw a flash of light and gunfire coming from a backyard northeast of where they were standing. He said he then ran southbound out the alley.

The Homicide Investigators contacted [redacted], male Hispanic, 17 years old, [redacted], on December 10, 1992. Mr. [redacted] denied that he was present in the alley at the time of the shooting.

The Homicide Investigators contacted [redacted], Male Hispanic 15 years old, [redacted], on December 14, 1992. Mr. [redacted] stated he was in the alley at the time of the shooting. He stated he saw Suspect [redacted] fire the suspect handgun five times into the air as he was facing southbound. Mr. [redacted] said he saw a flash of light coming from an adjacent yard and heard someone say "Freeze". He said they all started running southbound and he then heard gunfire. He said he then saw that Suspect [redacted] and Suspect [redacted] had been shot.

The Homicide Investigators interviewed Suspect [redacted] on December 01, 1992. Suspect [redacted] stated he was in the alley with Suspect [redacted], a male Hispanic named [redacted], a male Hispanic named [redacted], and another

unknown male Hispanic. He said the male named [redacted] fired the handgun into the air approximately four times. He said he then saw lights flash at them from an adjacent backyard and he heard someone say "freeze." He said he saw the deputies north of him in the adjacent yard and he turned south away from them and raised his hands. He said the other males with him ran southbound away from the deputies. He said he moved towards a fence on the west side of the alley with his hands raised and was shot. He stated he did not have a gun in his hand. He stated he had handled the barrel of the suspect weapon with his left hand previously at his residence.

A gunshot residue test was conducted on both suspects and was positive for both.

The weapon recovered from Suspect [redacted] was a.22 calibre, "Browning" brand pistol, serial # [redacted]. The pistol returned record not on file in the Automated Firearms System. (Refer to Exhibit "A" for a copy of the printout.)

Felony Charges of Murder, 187 PC, and negligent discharge of a firearm, 246.3 PC, were filed against Suspect [redacted] by the District Attorney's Office. No other charges were filed against the other persons present.
